

EQ-i™ 2.0 Accreditation 2011

19/20 July, 19/20 September, 15/16 November

At Ei World's Training Centre – Doolittle Mill,
Amphill, Bedfordshire, England UK

Become Licensed to Assess
Emotional Intelligence using the EQ-i2.0

The Emotional Quotient Inventory (EQ-i)™ is the most validated measure of emotional intelligence in the world. Published by Multi-Health Systems Inc, we are proud to have been chosen to deliver the first UK Accreditation in the revised EQ-i tool, the EQ-I 2.0.

Ei World is a leading provider of world-class development programmes. We are the longest established provider of EQ-i and EQ-360 accreditation programmes in the UK.

A two-day workshop, where you will become licensed to administer, score and interpret the EQ-I 2.0, the most validated measure of emotional intelligence in the world.

You will be equipped to confidently use the EQ-i 2.0 for coaching, training, team development, recruitment succession planning and talent management.

This tool has particular relevance for executive coaching, personal coaching, leadership development, employee engagement and employer brand.

4 Doolittle Mill, Froghall Road, Amphill, Bedfordshire, MK45 2ND

YOUR TRAINING PROVIDER IS EI WORLD

Our focus is Wellbeing, Resilience and Sustainable Performance at individual, team, and organisational levels. We believe that the effective performance of your people is not a luxury but a business imperative.

We deliver world-class development programmes in the UK and globally to develop and sustain employee engagement and effectiveness.

Our emotional intelligence programmes are designed to support:

- Strategy execution/change programmes
- Leadership development
- Organisational Transformation
- Talent management
- Team effectiveness
- Executive coaching programmes.

We are a recognised leader in the field of emotional intelligence and we are the longest established provider of EQ-i and EQ-360 accreditations in the UK. We supply the full range of EQ-i products and tools, working closely with Multi-Health Systems (MHS), the test publisher of the EQ-i.

We are also fully licensed to deliver the HeartMath® suite of programmes linking physiology with performance.

Emotional Intelligence

OVERVIEW

Following this two-day workshop, you will become licensed to administer, score and interpret the EQ-I 2.0, the most validated measure of emotional intelligence in the world.

It equips you to be able to confidently use the EQ-I 2.0 for recruitment, coaching, training, team development and succession planning / talent management.

Focused Learning

FACILITATOR

This programme is facilitated by Geetu Bharwaney - MSc BSc (Hons) Dipl.Couns, FCIPD, Founding Director of Ei World Limited.

Geetu has specialised in emotional intelligence research, development and evaluation since 1999. She is a member of the Ei Consortium, a group of practitioners and researchers at the cutting edge of the emotional intelligence field. She is trained in several emotional intelligence assessment tools, is a qualified trainer of the BarOn EQ-i and EQ-360 tools.

Her main areas of interest are leadership development, professional effectiveness and coaching high achievers. She has built emotional intelligence interventions and has proven measurable results from her work with leaders and high potential individuals in a wide range of sectors.

Geetu has used the EQi tool with around 6000 clients over the last 12 years and is well versed in the tool and its application in public and private sector contexts in both the UK and internationally.

Geetu Bharwaney Recent Publications:

Book Chapters

Bharwaney, G (2009). Developing high achievers through emotional intelligence: More intelligent than emotional. In M. Hughes, J. Terrell & D. Thompson, (Eds). The handbook of developing emotional and social intelligence – Best practices, case studies & tools. Wiley & Sons.

Bharwaney, G. (2009). Coaching for emotional intelligence in international business environments: Challenges and opportunities. In G. Abbott, & M. Moral. (Eds). The Routledge Companion to International Business Coaching.

Bharwaney, G. (2006). Coaching executives to enhance emotional intelligence and increase productivity. In R. Bar-On, J. G. Maree, & M. J. Elias, (2007) (Eds). Educating people to be emotionally intelligent. Johannesburg, SA: Heinemann Educational Publishers.

LEARNING OUTCOMES

By the end of this two-day workshop you will be able to:

- Define emotional intelligence and its importance.
- Describe the components of the EQ-I 2.0 including defining composite scales and subscales.
- Understand the science behind the EQ-I 2.0.
- Interpret an EQ-I 2.0 assessment.
- Administer the EQ-I 2.0 .
- Follow a structured approach to preparing for a feedback session.
- Demonstrate the ability to conduct an effective assessment feedback session.
- Explain the benefits of EI to their client groups.
- Describe how EI applies to different disciplines.
- Identify resources available post-certification.
- Assess which report type is appropriate for your client.

PRE-REQUISITES:

Once you have registered for the programme, you will be sent details of your pre-programme preparation.

This will include some background reading including e-learning modules, completion of an EQ-i questionnaire and a pre-course questionnaire to confirm your background experience, learning needs and preferences.

NEXT STEPS

To secure your place on the next course, please register by completing our online form:

<https://www.surveymonkey.com/s/eq-i2>

Fees are payable in full on enrolment to allow you sufficient time to prepare for this course.

This is an assessed programme. Your success in accreditation requires your full participation on both days plus being successful in completing an online assessment, within a week of the accreditation programme.

NB: This training is not suitable for someone completely new to people development.
