'EQ and YOU' Licensing

This is a great opportunity to licence from Ei World a ready-made workshop for use within organisations which want to provide a forum for their people to develop their EQ to achieve greater career success and life satisfaction. No need to create your own workshop from scratch when you can be licensed to use the 'EQ & You' one day workshop on Emotional Intelligence including the BarOn EQ-i.

This workshop has already been implemented with over 1000 people in the UK.

Participants in the 'EQ & You' workshop will be able to:

- ◆ Define and describe what emotional intelligence is
- ◆ Identify the individual and organisational benefits of emotional intelligence
- ◆ Name their own EQ strengths and weaknesses
- ◆ Identify which emotional competencies they want to develop in order to meet their personal and career challenges.
- ◆ Create and implement a personal EQ development plan

We will show you how to effectively implement the 'EQ & You' workshop within any setting.

Venue:

All licensing workshops will take place at Ei World's premises in Doolittle Mill.

Facilitator(s):

Geetu Bharwaney will be the main facilitator. Subject to group size, there will be 1 to 2 additional EQi Coaches.

Licensing Fee

£4000 per facilitator plus VAT.

This includes the one-day 'EQ and YOU' workshop, Facilitator Guide and provision of a non-exclusive licence. Thereafter a per participant fee of between **£ 150 and £200** will be payable for each workshop that you run.

Your costs to use the EQi are in addition to this programme fee.

Fees and payment

Workshop payment is required in full upon registration via cheque or BACS payment (See booking form for details). The fee includes all materials received before or during the workshop and meals (lunch and break(s)) served during the training. You will be responsible for payment of all travel and accommodation expenses.

Cancellation Policy

A refund will be given to those who provide written notice of cancellation four weeks or more prior to their scheduled training session. No refund will be given for cancellations less than four weeks prior to training. In exceptional circumstances (e.g. illness), Ei World may be able to transfer you to the next workshop if one is available. If this is the case, then an admin fee of £200.00+VAT will be charged. This is entirely at the discretion of Ei World Limited and is not possible on every programme.

Registration Information

Registration deadline is three weeks prior to scheduled workshop date. Ei World Limited reserves the right to cancel workshops up to two (2) weeks prior the scheduled date if attendance requirements are not met. Ei World Limited will not be held responsible for non-refundable travel arrangements before that time. Registrations for the EQ-i workshops are processed on a first-come-first serve basis and spaces are limited. We advise that you book early.
