EXPERT CONSULTATION Available on Request (please enquire about prices)

Aimed at users who want to build into their projects in-depth Team Ei Expert involvement for a successful team project with a high priority client, particularly for users who would value the higher value outcomes from having expert support. Could include:

- 3 Hours Expert Consulting help to design, review and implement the team intervention. Could include team leader debrief.
- Direct involvement of Experts from start to end.
- A high degree of collaboration for a successful and joint project.

The involvement of team experts will both serve to boost the credibility of the Team Ei Process by involving directly the experts behind it, as well as to shape the full intervention together including scoping the project, engaging a client pre-project, and co-delivering a successful project.

These services are indicative of what we provide. Do contact us if you have any specific requests.

These prices are subject to change at any time. When you launch a project, please confirm pricing and timelines with us.

Good luck with your assignment.

We are here to help.
